**Advice to Young Men.**

W. R. Smith, business educator of 32 years experience advises his 4,000 former students now voters in Kentucky to vote for Taft and Republican ticket.

Judge W. H. Taft deserves and will receive the united and hearty support of the presidency not only of every Republican in Kentucky, but other citizens who wish a wise, righteous and fearless administration of our National affairs.

Our party platform appeals to young men who wish to launch out on the wave of prosperity and not have their future interests imperiled by the success of Democracy, whose pilot is inexperienced, and whose chart is not safe guided to peace and plenty."

The Advocate has printed, bound and delivered the election ballots for next Tuesday.
